VALUES AND ETHICS IN HIGHER EDUCATION

This orientation exhorted that child is like a rough diamond and needs filling and polishing before all his faculties can function to fullest development. Education enables one to lead a better physical, mental, intellectual and spiritual life. Ethics deals with the morality and morality refers personal or cultural value code of conduct or social value. Higher education makes the quality of leadership in students. The ethics and moral values adept in universities heavily affect the future leaders. Ethical education guarantees the training of both the teacher and the student, develops new technologies and conclusively allows a new vision, a new policy, a new market, new resources and new system.
