The faculty, staff, and students of SGK Government Degree College Vinukonda celebrated World Water Day on 22nd March 2021. World Water Day is celebrated worldwide to raise awareness about the importance of freshwater and advocate for the sustainable management of water resources.

The celebrations started with a brief introduction of the history and significance of World Water Day. This was followed by a speech by the principal, Dr. Thulasi Masthanamma, where he emphasized the need for sustainable water management practices and the importance of conserving water resources.

After the speech, students organized various programs to highlight the importance of water conservation and sustainable water management. The programs included skits, songs, and dance performances that showcased the importance of water in our daily lives and the need to conserve it. The performances were appreciated by the audience, and the students received a loud applause.
