2	Date & Time	17-06-2022 & 10.00 – 01.00 PM
3	Conducted by	Dept. Of Zoology & Dept Of Botony
4	No. of Students attended	20
5	Chief Guest	-
6	Convener	1. Sri. B.R.K.KISHORE Lect In ZOOLOGY, SGK GOVERNMENT DEGREE COLLEGE VINUKONDA 2. Sri.G Mani Kumar Lecturer in Botany, SGK GOVERNMENT DEGREE COLLEDGE VINUKONDA

Obectives of the field trip

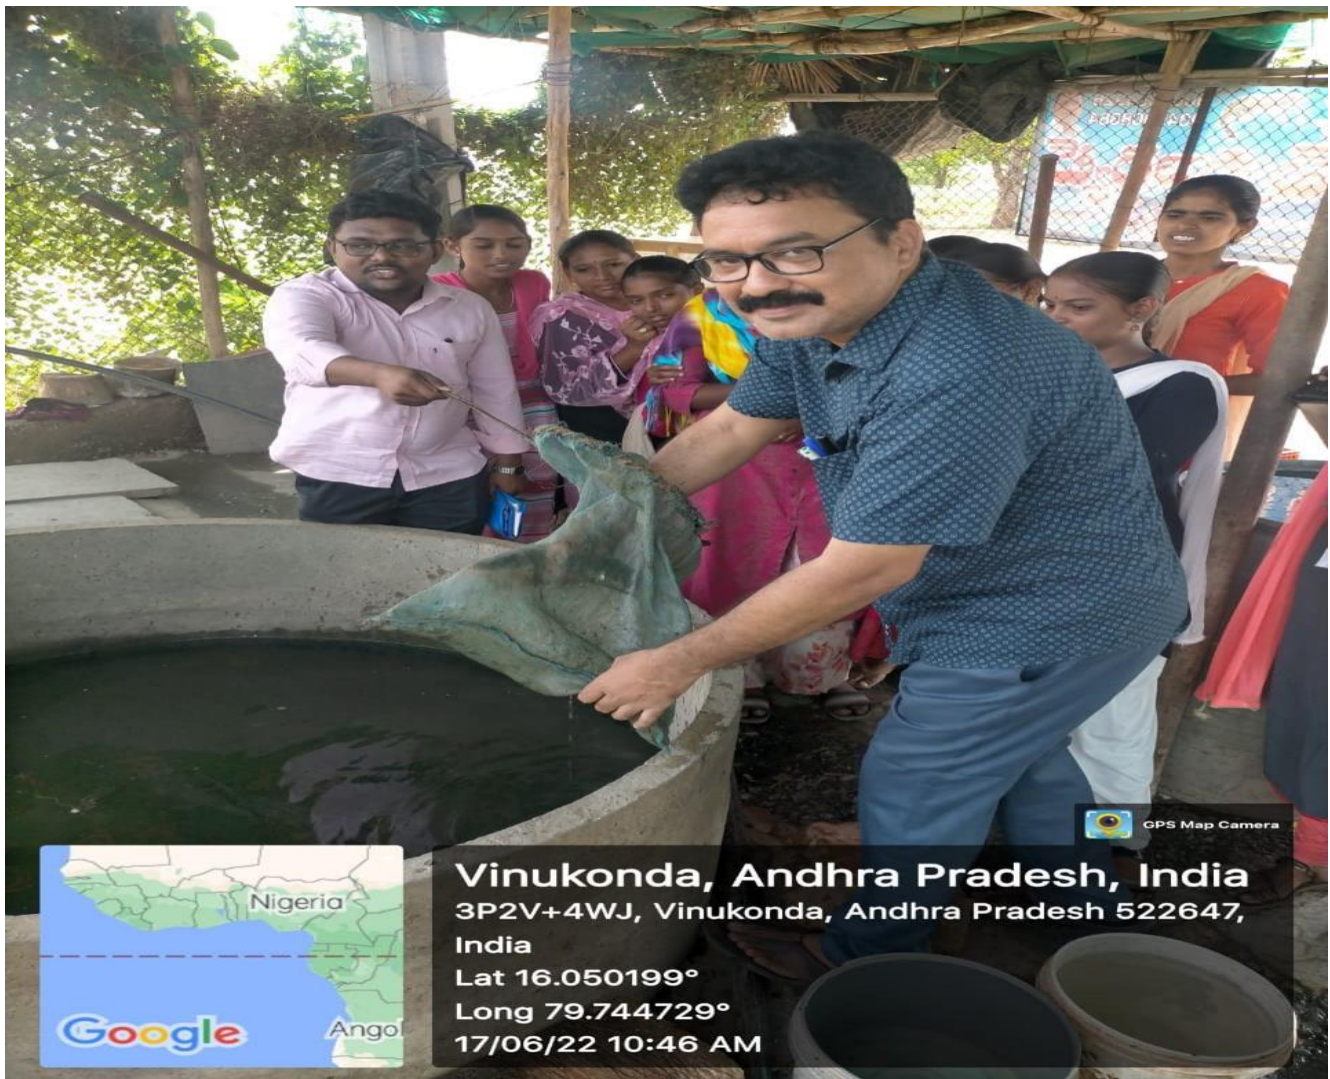

- 1.To collect and observe culturable fish species in vinukonda
- 2.To observe the feeding habits of culturable fishes
- 3.collection of species for both dry and wet preservation

It was a bright sunny morning on 17-06-2022. The students are asked to assemble in front of department of zoology .36 students of sem2 , sem4 and faculty of zoology and botany departments participated in the field trip. Lecturers gave instructions about the journey do's , don'ts and purpose of the trip.

We reached a local fish pond around 10:30 AM. We observed and identified the following fishes

1. Magur (korrameenu)
2. Catla (Bochu)
3. Lebeo (Rohu)
4. Mrigal

Conclusion

The field trip ended in a happy note. Students gained knowledge on biology of fishes, fish diseases, feed formulations, market facilities etc...

Students get their doubts clarified on the physical and chemical parameters of culture ponds.
