3	Conducted by	Science Department
4	No. of Students attended	53
5	Chief Guest	Principal and Staff
6	Convener	Sri. D. Raja Sekhar, Lecturer in Botany

On February 28th , 2020, SGK Government Degree College organized a National Science Day celebration and elocution competition. The event aimed to promote the importance of science and its contribution to society and to provide a platform for students to showcase their scientific knowledge and communication skills.

The event saw the participation of students from different departments of the college, along with faculty members. The participants were from diverse academic backgrounds, with a shared interest in science and technology.

The event started with an opening ceremony, where the principal of the college Dr. Ch. Tulasi Masthanamma delivered a speech on the significance of National Science Day and the importance of science education. This was followed by a series of scientific lectures, where faculty members presented their research findings and discussed the latest advancements in their respective fields.

The lectures were followed by an elocution competition, where participants showcased their communication skills by presenting their ideas on the role of science in addressing societal challenges. The topics ranged from climate change to health care and technology.

The elocution competition was judged by a panel of experts in the field of science and communication. The judges evaluated the participants based on their content, delivery, and overall presentation skills.

The winners of the competition were announced at the end of the event, and they were awarded certificates and prizes for their outstanding performances. The competition provided a platform for students to showcase their scientific knowledge and communication skills and to learn from each other.

The National Science Day celebration and elocution competition at SGK Government Degree College were a huge success. The event promoted the importance of science education and its contribution to society. The competition provided a platform for students to showcase their scientific knowledge and communication skills and to learn from each other. Overall, the event was a celebration of science and its impact on society, and it left a lasting impression on everyone who attended.
