3	Conducted by	Department of Physical Education
4	No. of Students attended	32
5	Chief Guest	Principal and Staff
6	Convener	Sri. B. Rama Bhadra Murthy, Lecturer in Mathematics

On the occasion of Fresher's Day, Physical Education Department organized a chess tournament in the college on 08-08-2018. Prizes were awarded to the winning students in this chess tournament on 10-08-2018 by the hands of the college principal.

On August 08, 2022, SGK Government Degree College Vinukonda organized a college-level chess tournament on the eve of Fresher's Day.

The tournament was open to all the students of the college, and a total of 32 participants registered for the event. The participants were divided into two categories: beginners and advanced players. The beginners' category had 16 participants, while the advanced category had 16 participants.

The tournament was conducted in a knockout format, where each participant played against another participant in the same category. The winners of each match advanced to the next round, and the losers were eliminated.

The matches were played with a time limit of 30 minutes per player, and the games were monitored by two referees. The tournament was conducted over two days, with the first day being dedicated to the beginners' category and the second day for the advanced category.

The tournament witnessed some exciting matches, and the participants displayed great sportsmanship and chess skills. The tournament concluded with the final matches in both categories, which were played in the presence of the college principal, Dr. YRCS Babu.

The winners were felicitated with a trophy and a certificate of appreciation, and the runners-up were also given certificates. All the participants were given certificates of participation.

The event was a great success, and the college management received positive feedback from the participants and the faculty members.

In conclusion, the college-level chess tournament conducted at SGK Government Degree College Vinukonda on the eve of Fresher's Day was a well-organized and successful event. It provided an opportunity for students to showcase their chess skills and also created awareness about the importance of controlling population growth.
