## **FACING COMPETITIVE EXAMS.**

As a part of students' induction program, the college Career guidance cell gave orientation program to freshers and stressed to choose correct approach and strategy to qualify for any competitive exam. She stressed that, to crack the exam, the aspirant should know why the Government sector is highly for growth and career prospects because it gives, job security, financial security work-Life balance and contentment. She exhorted them that as the level of competition increases, it is true that the way of conducting exam is also changing. Planning and preparation are the prerequisites to face any competitive exam.
