A **Documentary Awareness Programme on AIDS** was conducted on **24-09-2025** at **SGK Government Degree College, Vinukonda**. The programme was organized with the support of the **AP AIDS Control Society, Narasaraopet** to create awareness among students about HIV–AIDS, its causes, prevention, and the importance of responsible health practices.

Programme Objectives

1. To create awareness among students about HIV–AIDS and its health impact.
2. To educate students about the modes of transmission and preventive measures.
3. To remove misconceptions and stigma related to HIV–AIDS.
4. To encourage students to spread awareness and promote responsible health practices.

The programme was organized under the convenership of **Sri B.R.K. Kishore garu, Lecturer in Zoology and Convener of the Red Ribbon Club (RRC)**. The event included the screening of **informative videos and poster displays** related to HIV–AIDS awareness, which helped students understand the seriousness of the disease and the importance of prevention.

The programme was attended by distinguished speakers. **Dr. G. Durga Rao garu, Additional District Medical and Health Officer (AIDS & Leprosy)**, participated as the chief resource person and addressed the students about the causes, modes of transmission, prevention, and control measures of HIV–AIDS. He explained the importance of awareness, early diagnosis, and responsible behaviour to prevent the spread of the disease.

Principal Dr. K. Srinivasa Rao garu addressed the gathering and emphasized the need for awareness programmes in educational institutions. He stated that students should have proper knowledge about HIV–AIDS so that they can protect themselves and spread awareness among others in society.

NSS Coordinator Sri D. Siva Phanindra garu highlighted the role of youth and volunteers in creating awareness about HIV–AIDS and encouraging people to adopt healthy lifestyles.

Sri B.R.K. Kishore garu, Lecturer in Zoology, also spoke on the importance of awareness and education in preventing HIV–AIDS. He encouraged students to actively participate in such programmes and to promote awareness in their communities.

The documentary videos and posters presented during the programme effectively conveyed important messages about prevention, testing, and social support for people living with HIV–AIDS. Students actively observed the presentations and gained valuable knowledge about the disease.

Programme Outcomes

1. Students gained clear understanding about HIV–AIDS, its causes, and preventive measures.
2. The documentary videos and posters helped students learn through visual and informative content.
3. Awareness about safe health practices and social responsibility increased among students.
4. Students were encouraged to participate in awareness activities and spread correct information in society.

Conclusion

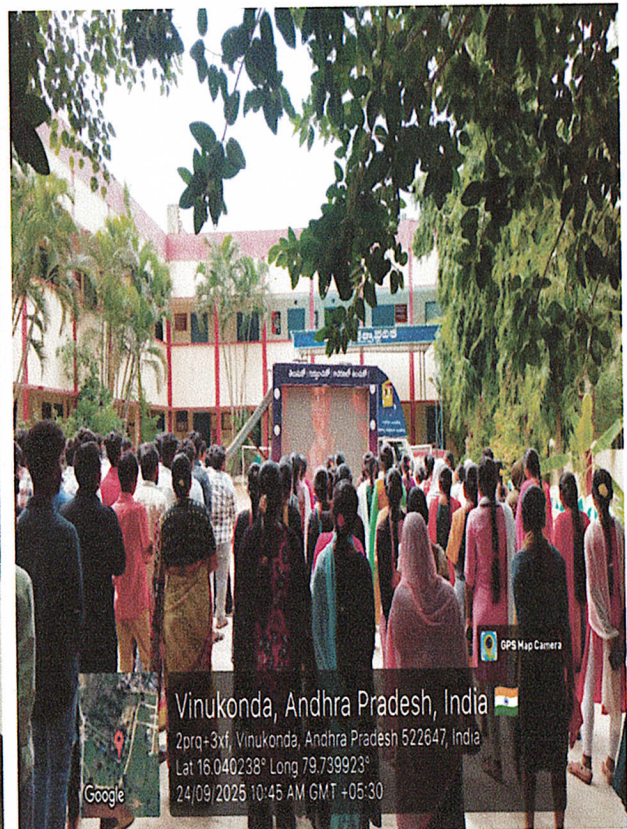

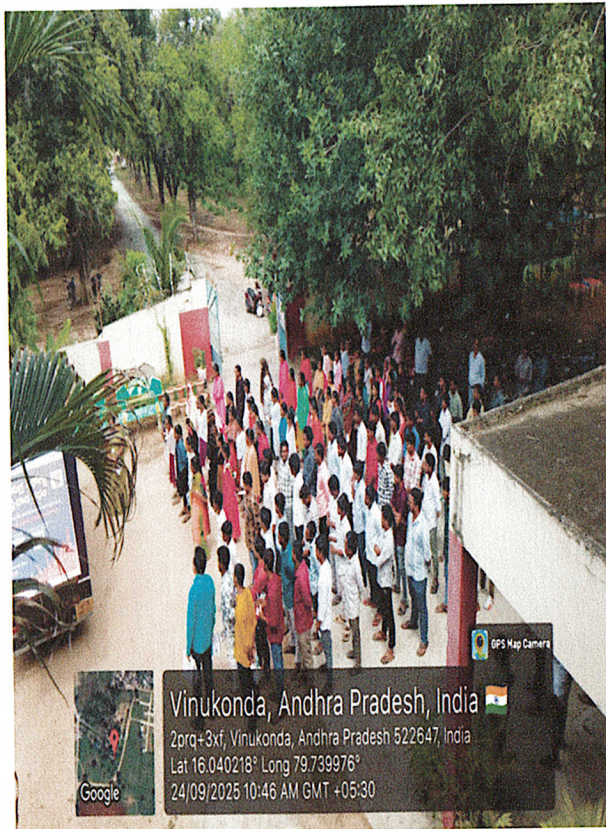

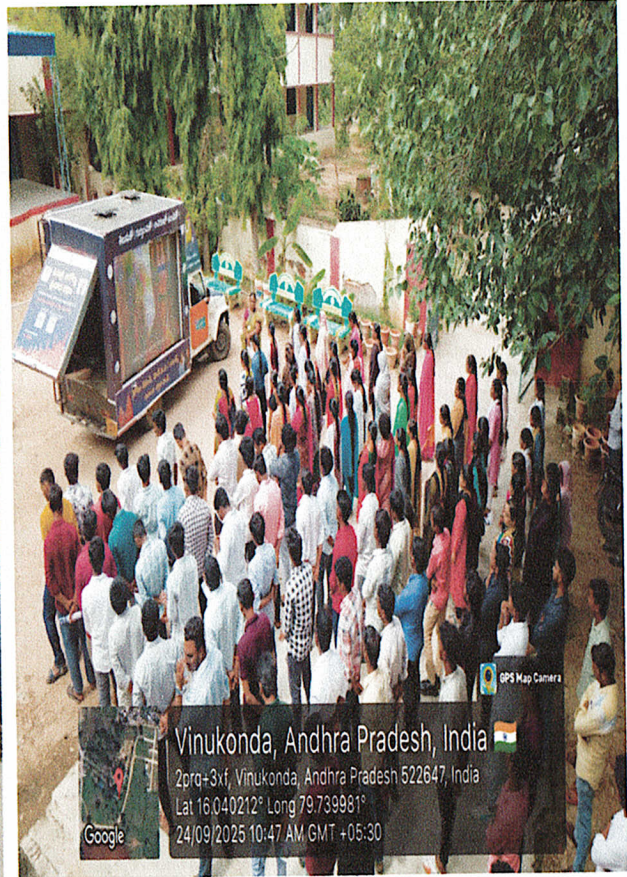

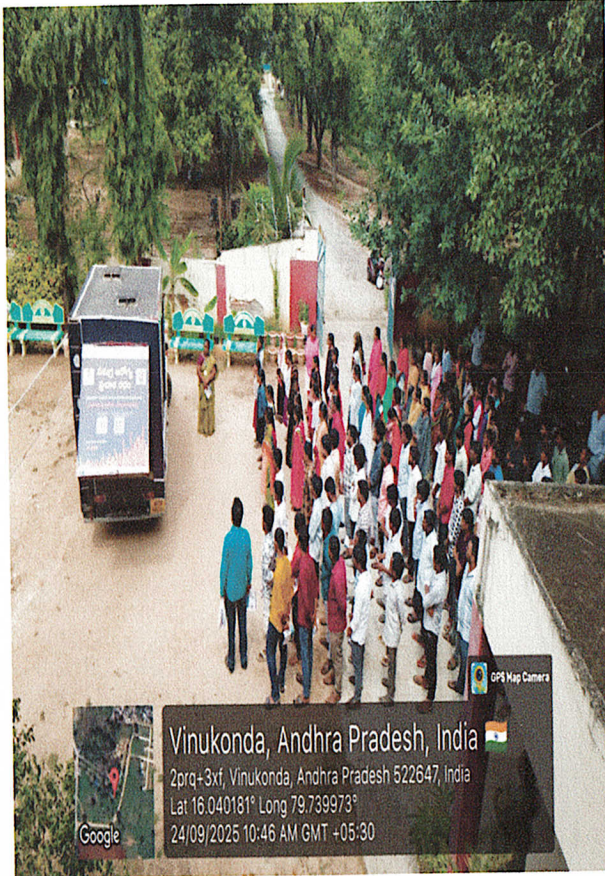

The **Documentary Awareness Programme on AIDS** was successfully conducted at SGK Government Degree College, Vinukonda with the support of the AP AIDS Control Society, Narasaraopet. The programme effectively educated students about HIV–AIDS and highlighted the importance of awareness, prevention, and social responsibility. Such initiatives play a vital role in promoting health education and building a well-informed and responsible society.
