Introduction

An Entrepreneurship Awareness Programme was organized at SGK Government Degree College on 20 December 2025 by the National Service Scheme (NSS) Unit. The main aim of the programme was to inspire students to become entrepreneurs and to create awareness about self-employment opportunities.

Entrepreneurship is very important for the development of the country. It creates employment opportunities and helps in economic development. Students should not only depend on jobs but also think about creating jobs. With this objective, this programme was organized.

The Principal, Vice Principal, and IQAC Coordinator participated in the programme. A total of 80 students and 18 staff members attended the programme.

Objectives of the Programme

The main objectives of the programme were:

- To create awareness about entrepreneurship.
- To inspire students to become entrepreneurs.
- To explain the importance of self-employment.
- To motivate students through success stories of entrepreneurs.
- To develop leadership and business ideas among students.

Programme Activities

The programme started with an introduction to entrepreneurship and its importance. The NSS Programme Officer explained the meaning of entrepreneurship and the role of entrepreneurs in society.

The NSS Programme Officer explained the life stories of successful entrepreneurs. He explained how many successful people started from small beginnings and became successful through hard work, dedication, and creativity. These success stories inspired the students.

The Principal addressed the students and explained the importance of entrepreneurship. He encouraged students to develop skills, gain knowledge, and think about starting their own businesses in the future.

The Vice Principal and IQAC Coordinator also spoke on the importance of self-employment and skill development. They motivated students to participate in entrepreneurship programmes and skill development activities.

The programme was very informative and motivational for the students. Students actively listened to the session and interacted with the speakers.

Outcome of the Programme

The Entrepreneurship Awareness Programme was successful in motivating students. Students understood the importance of entrepreneurship and self-employment.

The success stories of entrepreneurs inspired students. The programme helped students to think about business ideas and self-employment opportunities.

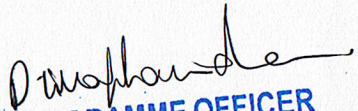

The programme created confidence and motivation among students to become entrepreneurs in the future.

Conclusion

The Entrepreneurship Awareness Programme conducted by NSS Unit on 20 December 2025 was successful. The programme inspired students to think about entrepreneurship and self-employment.

The speeches given by the NSS Programme Officer, Principal, Vice Principal, and IQAC Coordinator motivated the students. Such programmes are very useful for students to learn about career opportunities and self-employment.

The NSS Unit will continue to organize such programmes for the benefit of students.
