iv) The curriculum of the college, though decided by the university to which we are affiliated, is inclusive of courses that are not only academic but also play key role in the student's future career. Life skill courses and skill development courses are framed to imbibe knowledge that would be of extreme value for the student. Certificate courses and addon courses framed and implemented by the college helps students gain more knowledge in addition to their academics. Field trips, webinars play a crucial role in introducing new dimensions to the student.
