Dr. Thirupathaiiah highlighted the importance and role of MSMEs in creating employment opportunities for the youth. He elaborated on how MSMEs contribute to economic growth and empower students to explore entrepreneurial paths. The lecture was highly informative and encouraged students to utilize this knowledge for their personal and professional development.

Principal Dr. K. Srinivasa Rao also emphasized the importance of exploring self-employment and business opportunities as preferable alternatives to conventional jobs. He encouraged students to develop entrepreneurial skills for a successful life, advising them to become employers rather than employees.
