Chemistry and NSS**

Activity Report

S. No	Content	Name
1	Name of the Programme	International Day of Clean Air for Blue Skies (Plantation Drive on 21-08-25)
2	Date & Time	07-09-2025 & 11.00 AM– 01.00 PM
3	Conducted by	ECO Club & Department of Botany, Zoology, Chemistry and NSS
4	No. of Students attended	70
5	Chief Guests	Dr. K. Srinivasa Rao Principal
6	Convener	Sri BRK Kishore Convener of Eco Club & HOD of the Dept. of Botany & Zoology

On the occasion of the **International Day of Clean Air for Blue Skies**, a **Plantation Drive** was organized on **07-09-2025** at **SGK Government Degree College, Vinukonda**. The programme was jointly organized by the **Eco Club** and the **Departments of Botany, Zoology, Chemistry**, along with the **NSS Unit** to promote environmental awareness and encourage students to contribute towards a greener and healthier environment.

Programme Objectives

1. To create awareness among students about the importance of clean air and environmental protection.
2. To promote tree plantation as a means of reducing air pollution and improving air quality.
3. To encourage students to participate in environmental conservation activities.
4. To increase the green cover in the college campus and promote ecological balance.

The programme was **inaugurated by Principal Dr. K. Srinivasa Rao garu**, who highlighted the importance of maintaining clean air and protecting the environment. He explained that planting trees is one of the most effective ways to reduce air pollution and improve the quality of life. He encouraged students to take responsibility for protecting nature and to actively participate in environmental conservation activities.

The programme was coordinated by **Sri B.R.K. Kishore garu, Convener of the Eco Club and Head of the Departments of Botany and Zoology**, who emphasized the importance of increasing green cover to maintain ecological balance. He explained that trees play a crucial role in purifying air, conserving biodiversity, and maintaining environmental sustainability.

As part of the programme, **100 saplings of different varieties** were planted in the **college garden and playground** by the **faculty members and students**. All staff and students actively participated in the plantation activity and expressed their commitment to protecting the environment. The plantation drive created awareness among students about the importance of greenery and the need to maintain a pollution-free atmosphere.

Programme Outcomes

1. About **100 saplings of different varieties** were successfully planted in the college campus.
2. Students developed awareness about the importance of clean air and environmental sustainability.
3. The programme encouraged active participation of students and staff in environmental protection.
4. The plantation drive contributed to improving the greenery and ecological balance of the campus.

Conclusion

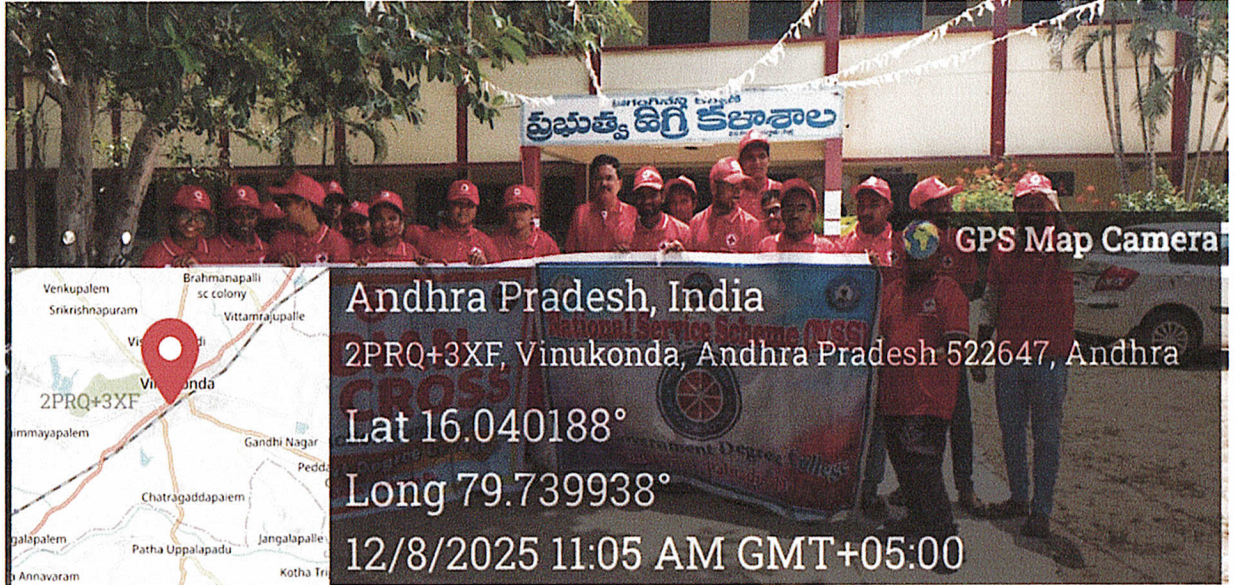

The **Plantation Drive on the occasion of the International Day of Clean Air for Blue Skies** was successfully conducted at SGK Government Degree College, Vinukonda. The programme created awareness about the importance of maintaining a clean and healthy environment and encouraged students to take responsibility for protecting nature. Such initiatives help in building an eco-friendly campus and promoting sustainable environmental practices.
