National Science Day

DATE: 28.02.2025

TIME: 11.40 AM

CONDUCTED BY

DEPARTMENT OF PHYSICS

Activity Report

S. No.	Content	Details
1	Name of the Programme	National Science Day
2	Date & Time	28.02.2025 & 11.40 AM
3	Conducted by	Department of Physics
4	No. of Students attended	50
5	Chairperson	Dr. K. SrinivasaRao, Principal
6	Program Convener	B. NageswaraRao, lecturer in Physics

Objective of the Celebration: The primary objective of the National Science Day celebration was to commemorate the discovery of the Raman Effect by Sir C.V. Raman and promote scientific temper, curiosity, and innovation among students. The event aimed to foster an understanding and appreciation of science and its role in society.

Activities Conducted:

Inaugural Address:

The celebration began with an inaugural address by Dr. K. Srinivasarao, Principal. Sri B. NageswaraRao, Lecturer in Physics emphasized the importance of scientific research and its impact on society.

Raman Effect Presentation:

A presentation on the Raman Effect and the significance of Sir C.V. Raman's discovery was delivered by Dr. K. V. S Koteswara Rao, IQAC Coordinator. The presentation highlighted the contributions of Indian scientists to the global scientific community.

Science Exhibition:

An interactive science exhibition was organized, featuring different Science equipment available by science departments. The exhibition showcased a wide range of scientific disciplines, encouraging hands-on learning.

Science Quiz Competition:

A science quiz competition was held, open to all interested students. Total 10 numbers of teams (30 students) were participated. The competition covered a variety of scientific topics and encouraged healthy competition among participants.

Observations and Findings:

The celebration successfully engaged students and faculty in various scientific activities, promoting a sense of scientific inquiry and exploration. The science exhibition demonstrated the creativity and innovative thinking of college students in diverse scientific fields. Quiz enriched the knowledge of attendees with the latest developments in science.

Conclusions:

The National Science Day celebration served as a platform to celebrate scientific achievements and promote scientific literacy among students. It highlighted the importance of scientific research and its potential to solve real-world problems.

We extend our gratitude to all the participants, faculty members, guest speakers, and organizers for their contributions to the successful celebration of National Science Day.

Quiz Programme Winners List

1 st Prize		2 nd Prize		3 rd Prize	
Student Name	Group	Student Name	Group	Student Name	Group
M. Hema latha	II B.sc	M. Rajesh	II B.Com CA	Sk. Lukman umar	II B.Com CA
