The Deeksharambh program(Student Induction Program) at SGK Government Degree College saw a pivotal lecture on E-Learning, delivered by Dr. K. Srinivasa Rao, the esteemed Principal of the college. The lecture, held on 29th November 2022, was specifically designed for the recently enrolled students, aiming to introduce them to the benefits and dynamics of e-learning in the contemporary educational landscape.

Agenda:

The lecture was part of the larger Student Induction Program, Deeksharambh, and aimed to:
1. **Introduce E-Learning:** Familiarize the students with the concept and relevance of e-learning in modern education.
2. **Highlight Advantages:** Showcase the benefits and advantages of e-learning in enhancing the learning experience.
3. **Demonstrate Resources:** Provide an overview of the digital resources available for academic enrichment.

Highlights:
- **Engaging Introduction:** Dr. K. Srinivasa Rao commenced the lecture with an engaging introduction to e-learning, setting the tone for the session.
- **Exploration of E-Learning Tools:** The students were presented with an array of e-learning tools and platforms available, demonstrating how these tools can augment their learning process.
- **Interactive Session:** An interactive discussion followed, allowing students to express their thoughts, queries, and expectations related to e-learning. Dr. Rao addressed their concerns and provided insights to foster a conducive e-learning environment.
- **Real-Life Examples:** Dr. Rao incorporated real-life examples and success stories related to e-learning, illustrating its potential and impact on academic performance.
- **Motivation for Active Participation:** The lecture aimed to inspire students to actively engage with digital platforms, encouraging them to utilize these resources for a holistic learning experience.
