NOTICE

Activity Report: Vanam-Manam Program

Date: 29th July 2017

Time: 2:00 PM - 4:30 PM

We are pleased to share the activity report of the Vanam-Manam Program organized by the Department of Botany and Eco-Club at SGK Government Degree College. This program aimed to promote environmental awareness and active participation in tree plantation drives.

The program was conducted on 29th July 2017 from 2:00 PM to 4:30 PM. The students, along with the faculty members, actively participated in various activities focused on tree plantation and environmental conservation.

We would like to extend our gratitude to the Principal and staff members for their support and guidance during the program. Their presence and encouragement motivated the students to actively contribute to the cause.

Sri. D. Rajashekhar, Lecturer in Botany, played a key role as the convener of the program. His dedication and coordination ensured the smooth execution of the activities.

The Vanam-Manam Program provided an excellent platform for students to understand the importance of environmental preservation and their role in creating a sustainable future.

Thank you to everyone involved in making the Vanam-Manam Program a success. Let us continue to work together towards a greener and healthier environment.

Thanking you
