Introduction

World AIDS Day 2025 was observed at **SGK Government Degree College, Vinukonda** with a series of awareness-oriented activities conducted by the **Red Ribbon Club (RRC)** in association with the **Department of Zoology**. The programme aimed to educate students about HIV/AIDS, eliminate stigma, promote healthy behavior, and encourage youth participation in the global goal to “End AIDS”.

All events were coordinated by **Sri B. R. K. Kishore**, Lecturer in Zoology & RRC Coordinator. Students from all streams actively participated in the week-long activities.

Day 1: 27-11-2025 (Thursday)

“Elocution Competition”

Theme: *“End AIDS – Youth as Change Makers”*

The celebrations were inaugurated with an elocution competition held in the college seminar hall. Students delivered inspiring speeches focusing on the role of youth in awareness creation, responsible behavior, and leadership in HIV prevention. The activity encouraged public speaking skills and boosted student confidence in addressing sensitive social issues.

Day 4: 01-12-2025 (Monday)

“Awareness Rally & Human Chain Formation”

An awareness rally was organized in the morning from the college campus through the main areas of Vinukonda town. Students carried placards, banners, and raised slogans promoting HIV prevention, safe practices, and compassion for affected individuals.

Following the rally, a **Human Chain Formation** was conducted at the college entrance, symbolizing unity, collective responsibility, and commitment towards an AIDS-free society. Staff, NSS volunteers, RRC members, and students actively participated.

Closing Ceremony

A formal valedictory function was organized to conclude the World AIDS Day activities.

Dr. K. Srinivasa Rao – Principal of the College appreciated the efforts of RRC and the Department of Zoology for conducting meaningful awareness program. He emphasized that youth must stay informed, act responsibly, and contribute towards achieving the global goal of eliminating AIDS.

Dr. KVS Koteswara Rao – IQAC Coordinator spoke about the importance of integrating health awareness into academic life. He encouraged students to become ambassadors of knowledge and help in reducing stigma and misconceptions regarding HIV/AIDS.

Sri Ch. Hari Babu – Vice Principal highlighted the role of discipline, awareness, and community participation in disease prevention. He motivated students to use their energy and creativity to bring social transformation, especially in rural communities.

Sri B. R. K. Kishore – RRC Coordinator & Lecturer in Zoology presented a brief overview of the week-long activities and thanked all participants. He stressed the significance of continuous awareness initiatives and the active involvement of students in public health programs.

Sri D. Sivaphanindra – NSS Coordinator explained how NSS volunteers can play a vital part in spreading awareness at the grassroots level. He encouraged students to take the messages of HIV prevention and compassion beyond the campus into society.

Prizes were distributed to winners of Elocution, Painting, and Poster Presentation competitions.

The program concluded with a Vote of Thanks delivered by Sri B. R. K. Kishore, RRC Coordinator, who expressed gratitude to the Principal, faculty members, participants, and students for their support in making the event successful.

Outcome of the Programme

The World AIDS Day 2025 activities conducted at **SGK Government Degree College, Vinukonda** created a strong impact on students and the local community. The programme successfully enhanced awareness about HIV/AIDS, its prevention, and the importance of eliminating social stigma. Students actively engaged in competitions and outreach activities, demonstrating improved understanding, responsible behavior, and leadership qualities.

The awareness rally and human chain formation strengthened community involvement and conveyed a powerful message of unity against discrimination. The programme nurtured values of empathy, scientific thinking, and social responsibility among the youth. Overall, the event achieved its objective of educating students, promoting positive attitudes, and motivating them to contribute towards an **AIDS-free generation**.
