Community Service Projects

Jose Marti MAST 6-12 Academy

Hello everyone! I am K. Siva koteswarao, from 2nd B.com
SGK Govt degree college, vinukonda.

Today I am here to present you my report on the survey
I have conducted on the topic digital transaction as a
Part of community service

Which is conducted under the guidance of our mentor :-

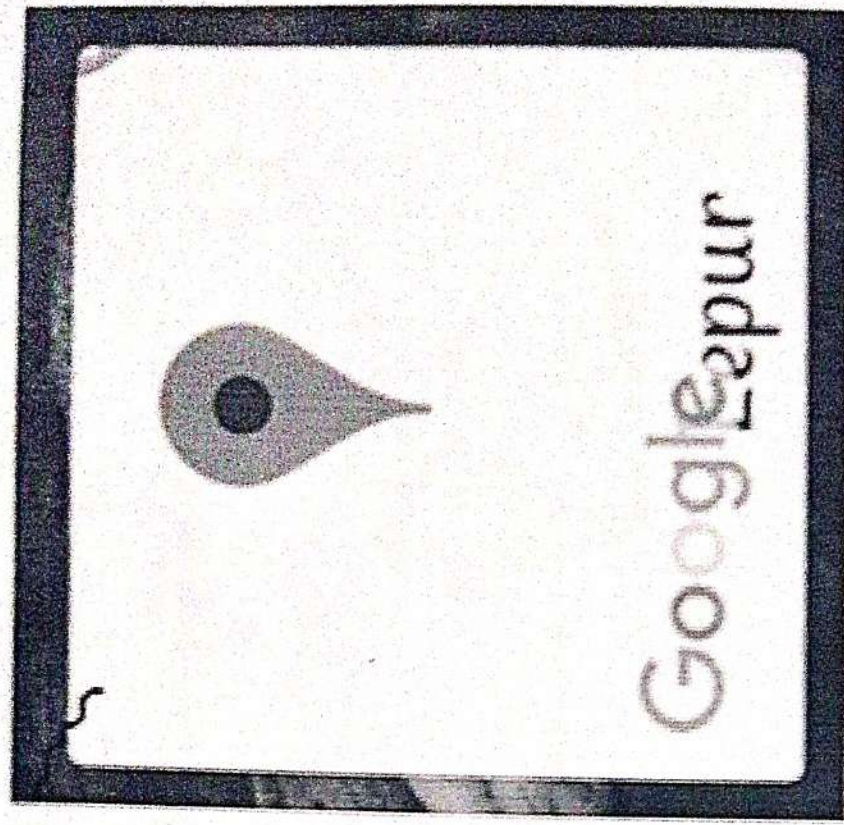

Jagadeesh sir, lecture of comerce

Digital Transaction

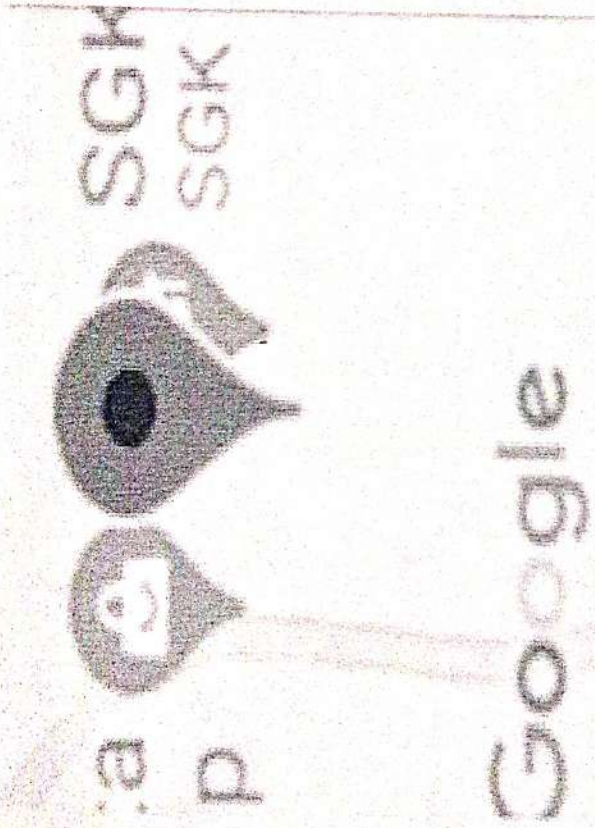

www.texaco.com

SERVEY LOCATION

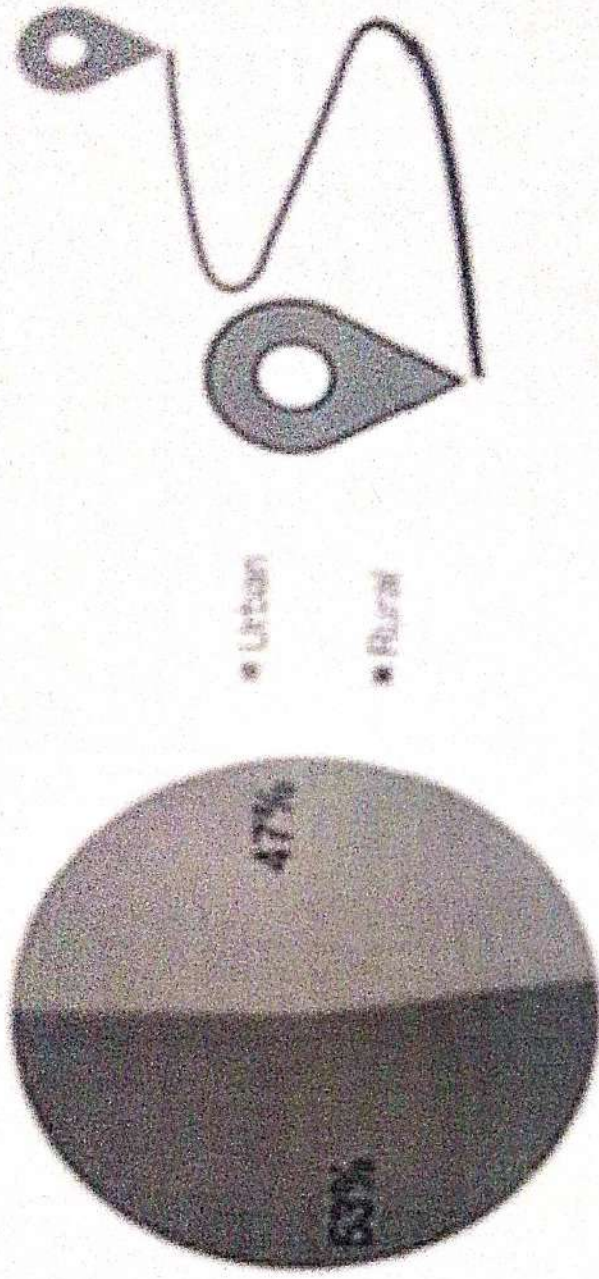

ipuru

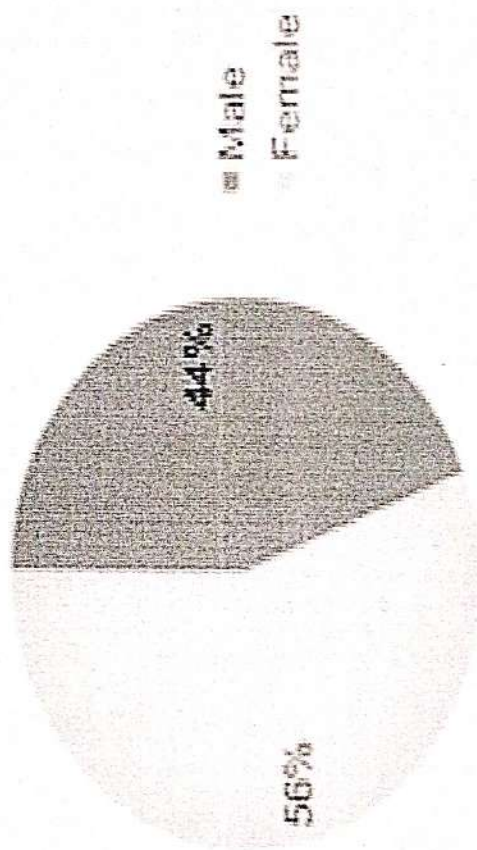

SGK GDC , Vinukonda

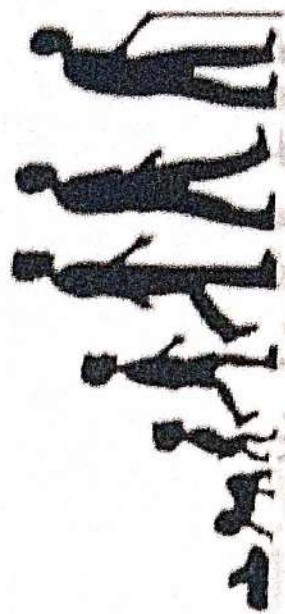

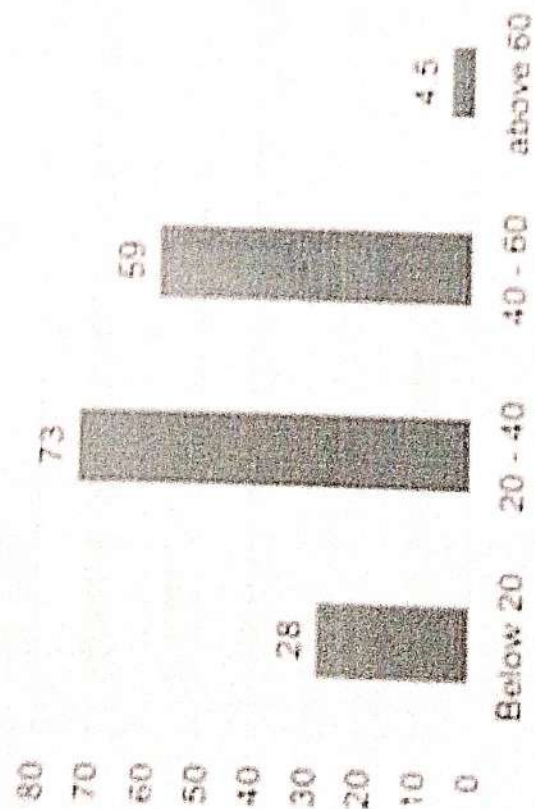

Classification of Respondents based on location

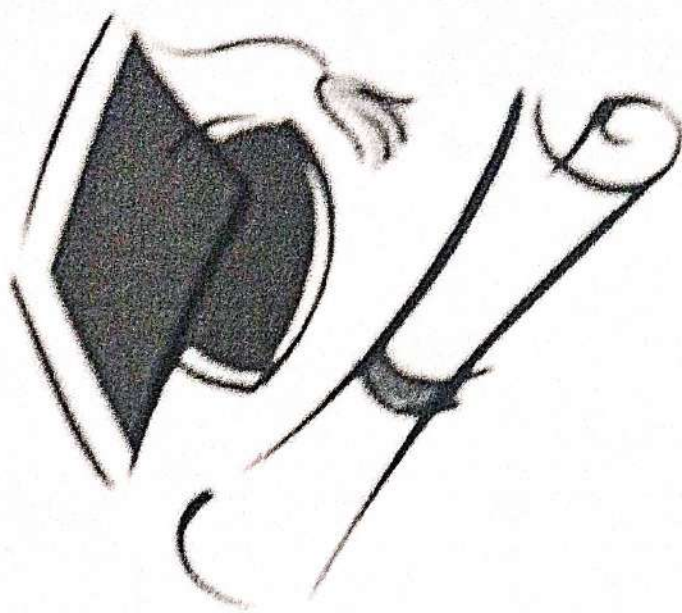

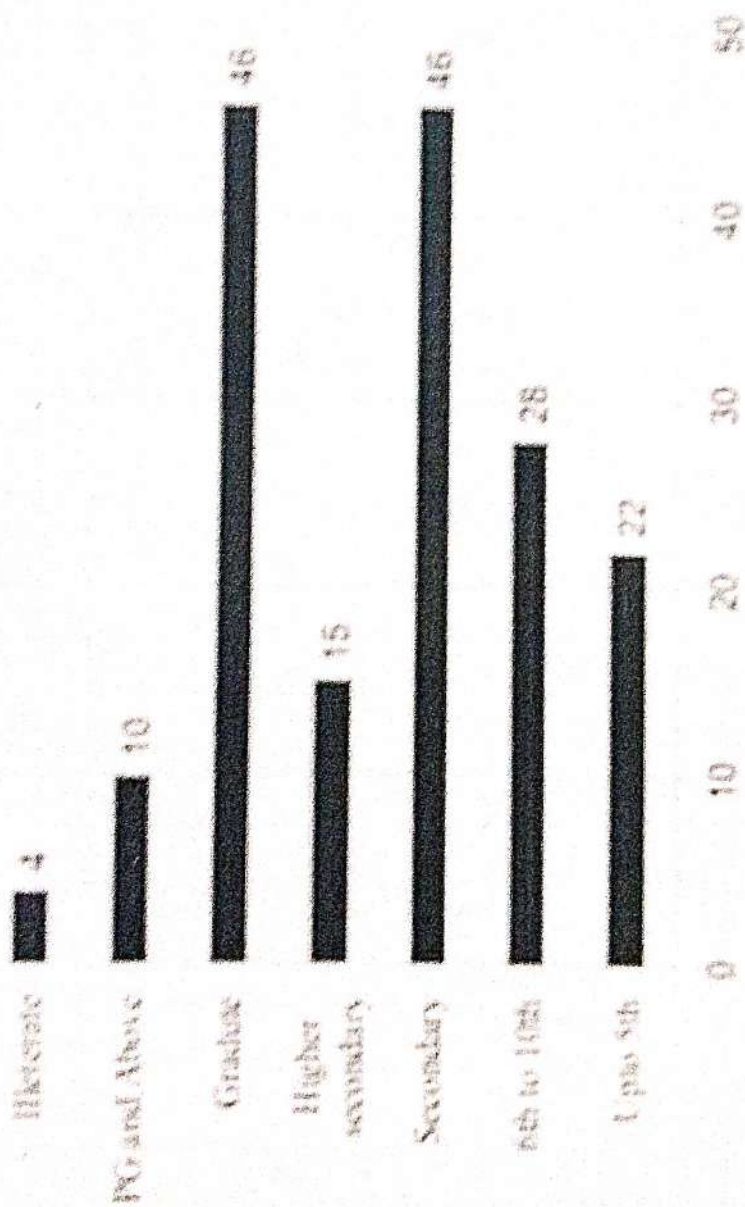

Classification of Respondents based on gender

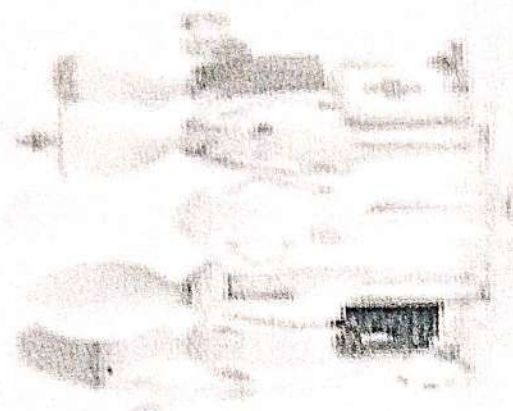

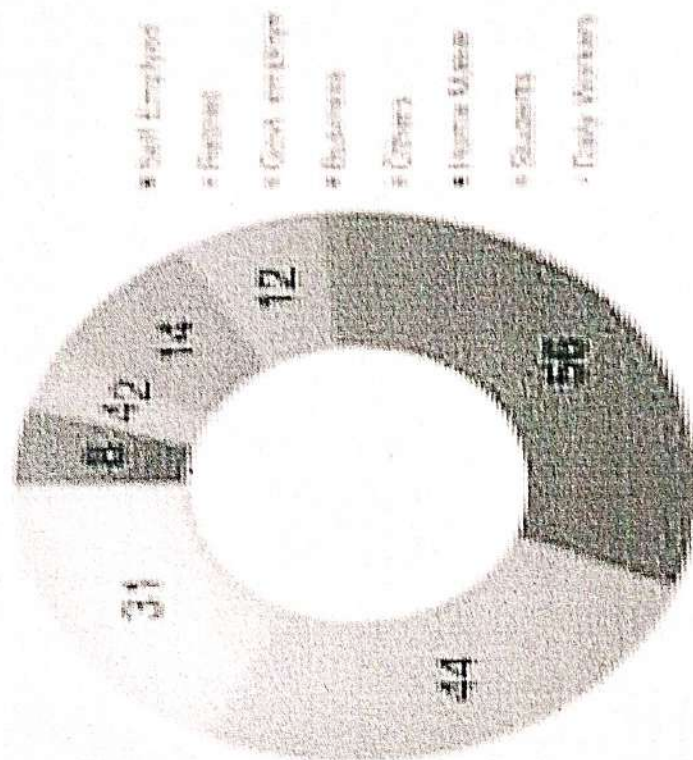

Classification of Respondents based on age

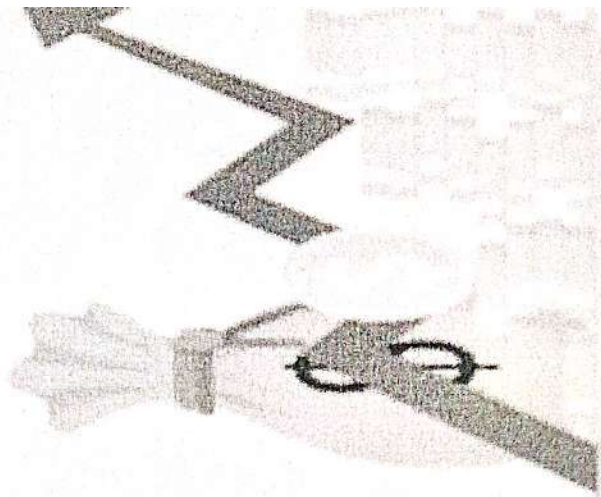

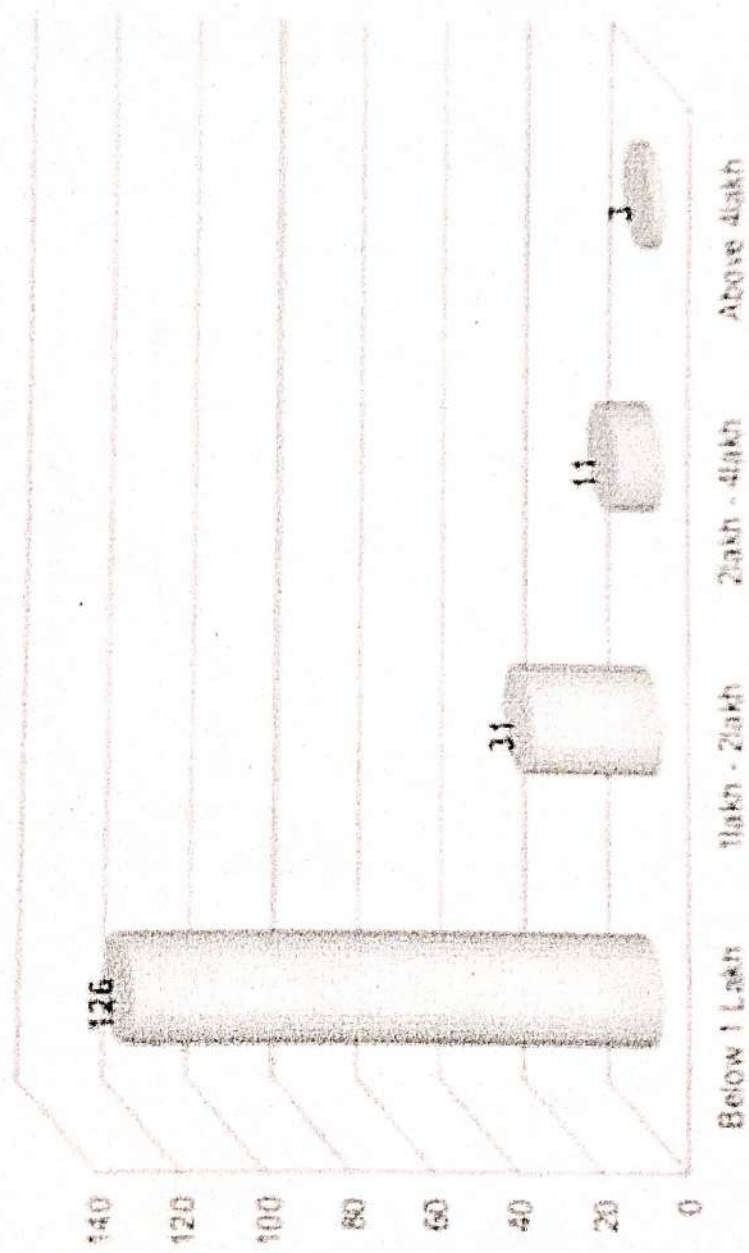

Classification of Respondents based on Educational Qualification,

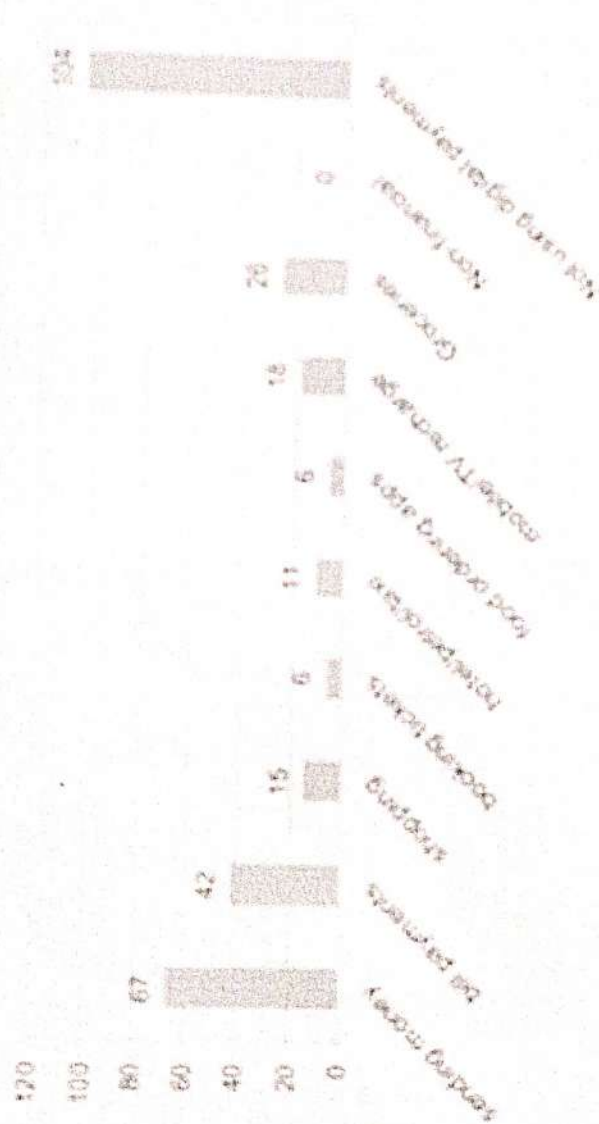

Classification of Respondents Based on Profession,

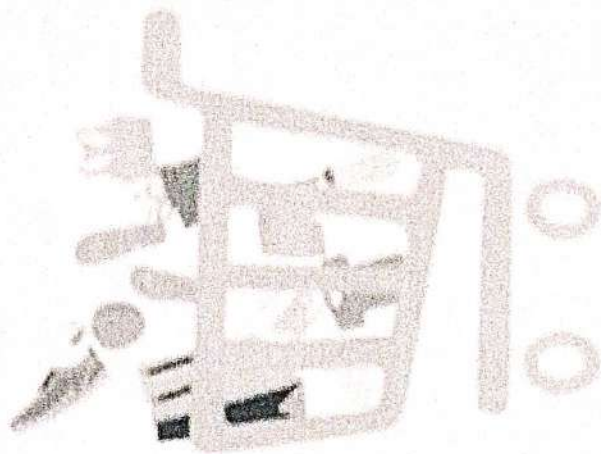

Classification of Respondents Based on Income

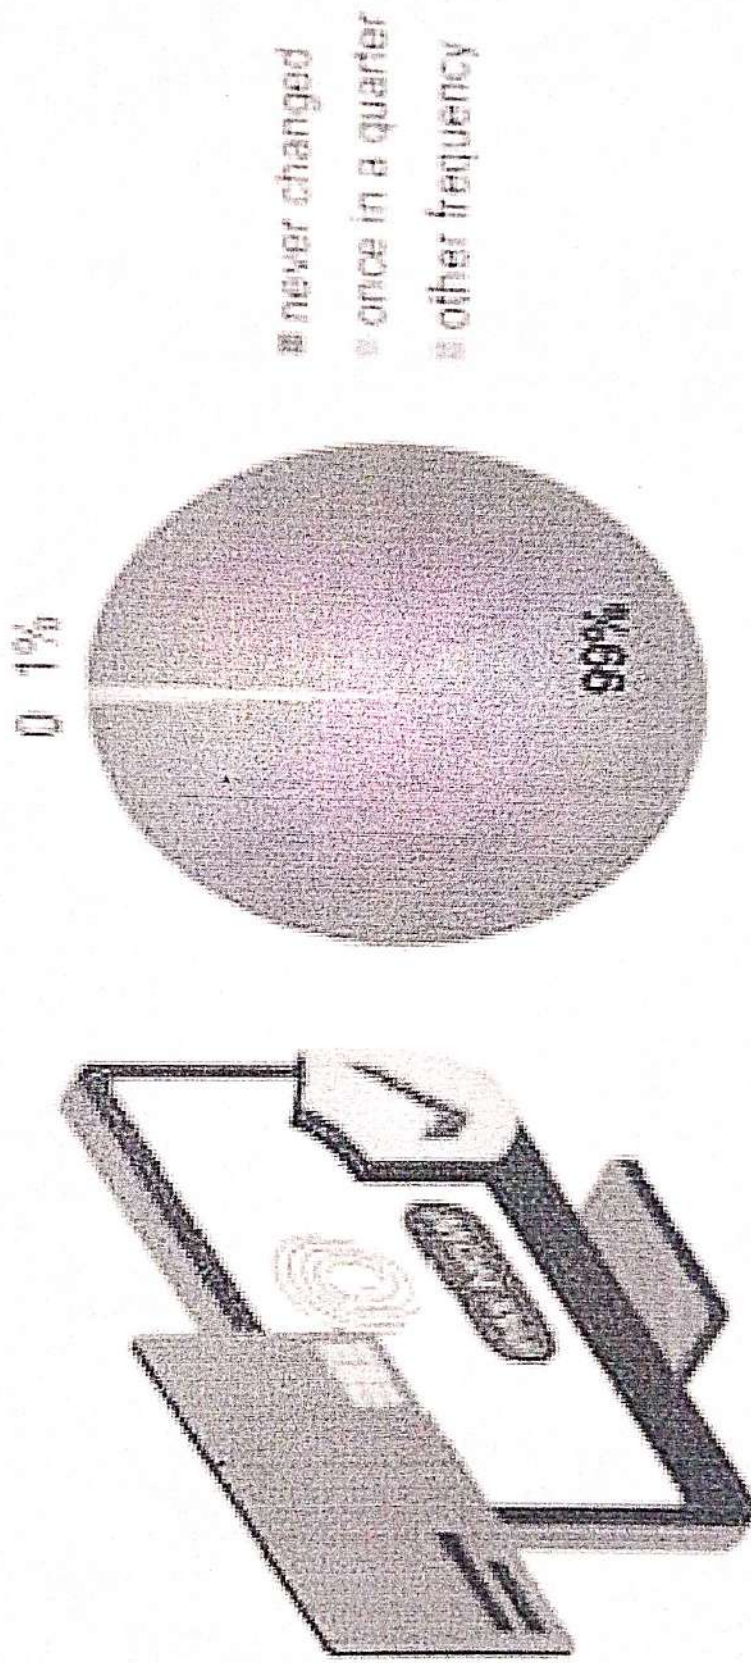

Preferences regarding use of digital wallets for purchase.

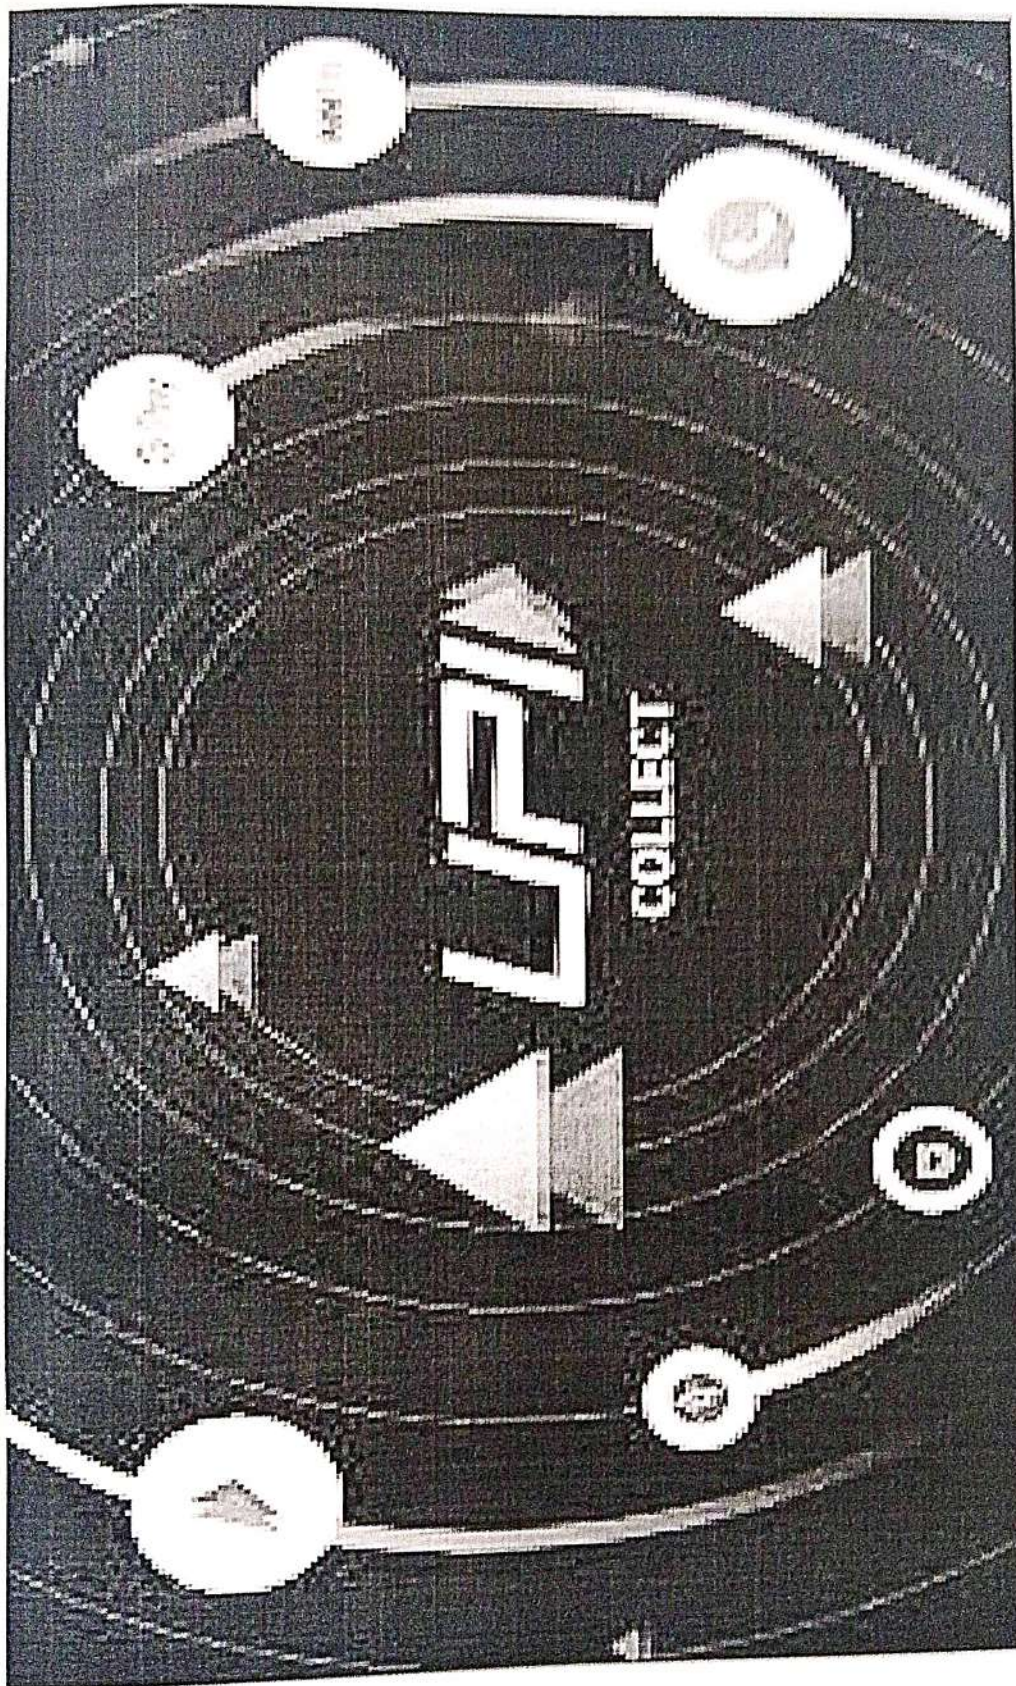

From the above Data, Most of the people are not using digital payment products for purchasing. The people who are using digital payment products are using mostly for sending money, bill payments and groceries

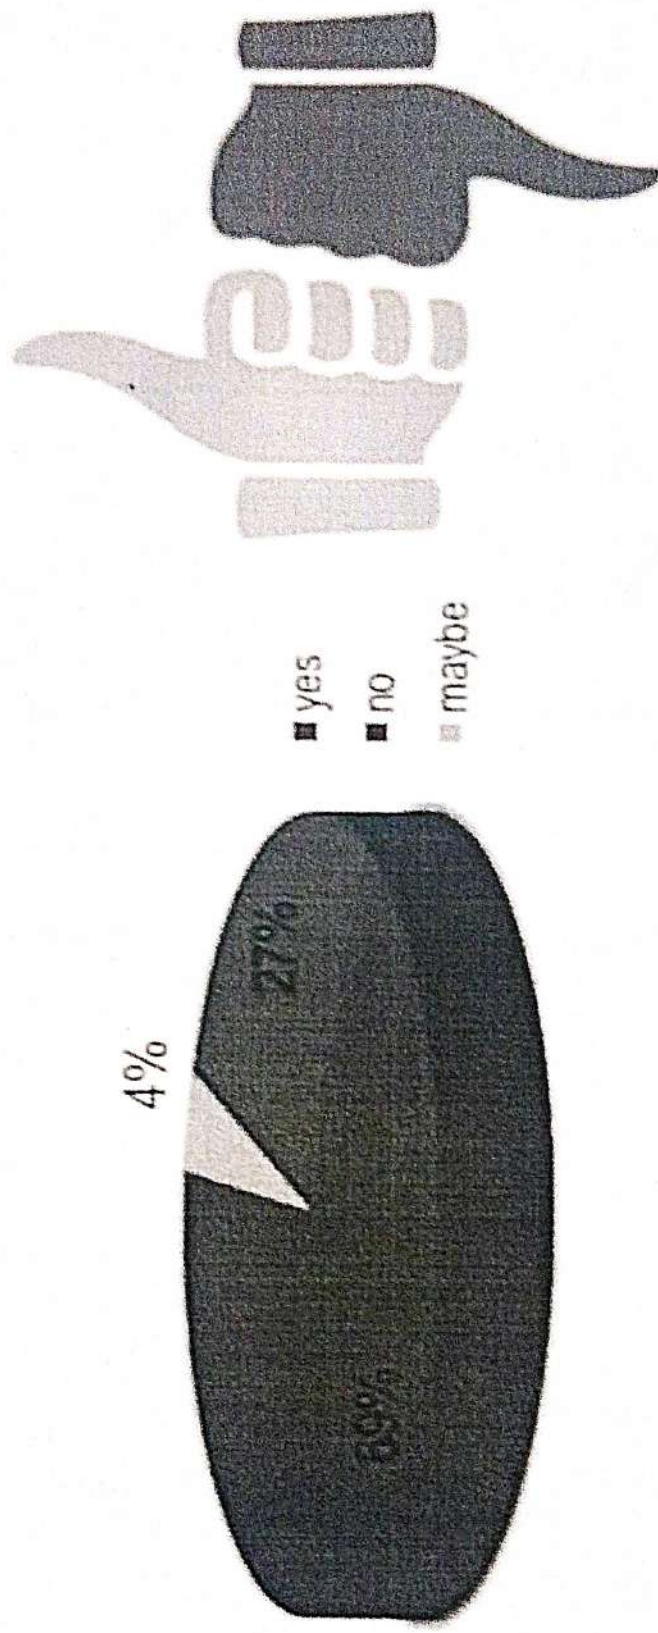

Analysis on no. of people change PIN for debit/credit/Mobile banking

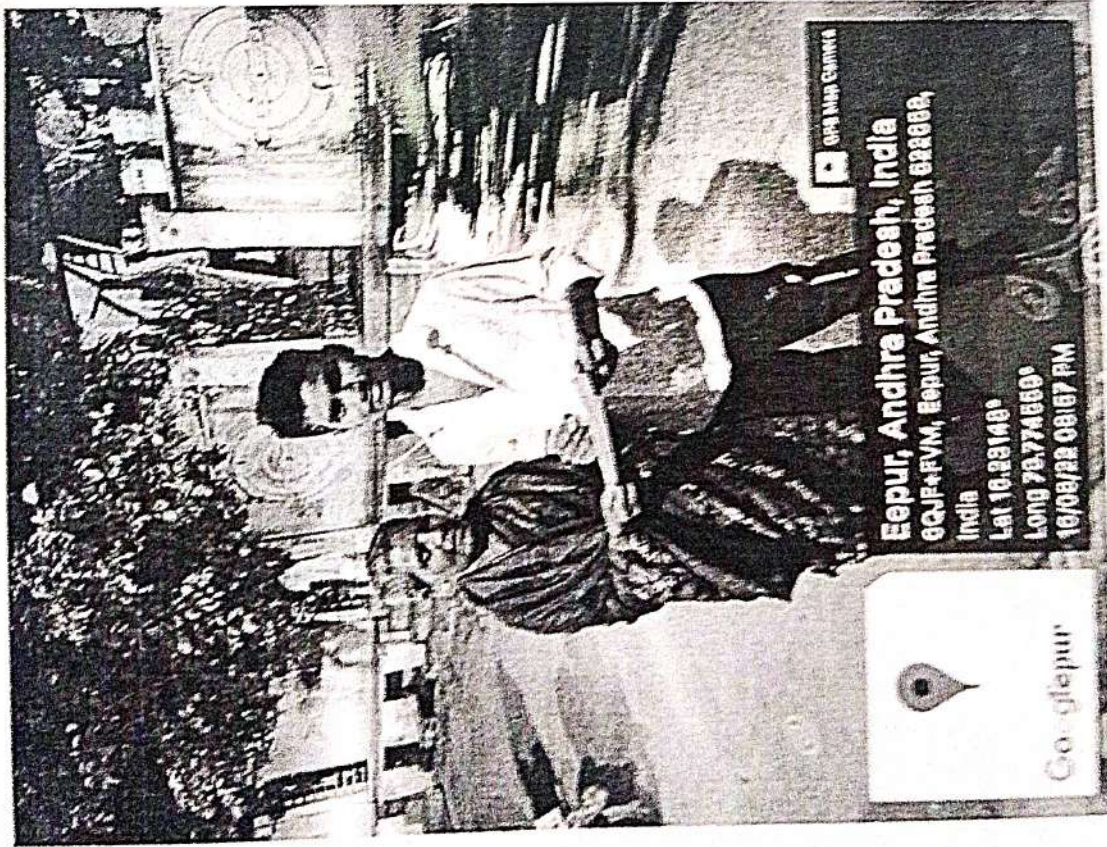

From the above Data, it is concluded that all the respondents never change their PIN for credit/debit/mobile banking.

Satisfaction level of Respondents regarding digital payments

It is observed that around 30% of respondents are satisfied with the use of digital wallets. 70% percent of the respondents are not satisfied with the use of digital wallets. The reasons are found to be technical glitches, concern about security and possibility of theft.

▶ **THANK YOU**

Department of Commerce
SGK Government Degree College, Vinukonda, Palnadu Dist.
